Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Monday 27 Dec 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Wet and windy this morning, heavy showers later.

Today:
There'll be a spell of wet and windy weather at first this morning as rain sweeps eastwards. Brighter spells follow from late morning onwards, but also heavy showers which could locally give some longer spells of rain in places later. Maximum temperature 12 deg C (54 deg F).

Tonight:
Heavy showers will ease away through the evening leaving most parts dry with a few clear spells. Becoming windy by morning with scattered showers returning. Minimum temperature 7 deg C (45 deg F).

Tuesday:
A windy day with a mixture of bright or sunny spells and scattered showers. The showers will be locally heavy and will be most frequent near the Bristol Channel. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Changeable and windy on Wednesday and Thursday, with spells of rain interspersed by some drier, brighter interludes. Drier and brighter on Friday with easing winds. Mild or very mild.
